INTRODUCTION

Information contained herein was transcribed from notes gathered by Clifton & Lila Funkhouser and James Bradley Heishman. A special thank to Terry Sherman for his help in locating cemeteries. Some grave markers are hard to read lending themselves to transcription errors. There are typographical errors. Where genealogical information was known, it has been added. Abbreviations, such as Geo., Jas., Jno., Jos., etc., have been expanded to George, James, John, Joseph, etc.

Those using this book for genealogical purposes should prove this information through other sources.

This book contains an alphabetical listing of all gravestones identified in Hardy County and an alphabetical listing of cemeteries.

This book is not to be considered as a complete record of all gravestones in Hardy County.

The author assumes no responsibility for errors contained herein. The volume has been produced to assist the genealogist not to provide proof of anything.
