OUTSIDE & IN

Hike, bike, or experience the mountain trails on horseback through historic Lost River State Park and George Washington National Forest where unforgettable vistas await.

Whether you like kayaking, canoeing, or floating, spin or fly fishing, our rivers, lakes, and mountain runs offer some of the best paddling and fishing in West Virginia. Be sure to see The Trough, an isolated 6-mile gorge on the South Branch of the Potomac River where eagles soar overhead. Or visit Trout Pond Recreation Area, home to Rock Cliff Lake and Trout Pond, West Virginia's diminutive but only natural lake.

Looking for something else to do? Watch for our upcoming geology tours and check out our information on bird sightings around the county. How about golf, movies, music, theater, or bowling? Hardy County has something for everyone.

EAT & DRINK

Whether you are looking for BBQ or burgers, to share a farm-to-table dinner, or dine by candlelight, the options are here for you to enjoy. Visit a winery for a tour and tasting or buy craft beer and grab a quick lunch at one of our general stores. And, while you plan your next day's adventure, stop for ice cream or just-baked donuts and a cup of coffee.

Our many farmers markets offer locally grown produce, meats, and fresh pastries to enjoy at a picnic, eat at your cabin, or carry back home. And don't forget to take the kids to the pick-your-own pumpkin patches in the fall and for strawberries in summertime.

SHOP IN TOWN & OUT

Shopping in rural Hardy County is a unique experience.

For distinctive gifts, artwork and crafts, antiques, WV-made products, made-to-order food, and beverages, visit specialty retail shops while you are in town or travel the backroads to explore our non-traditional general stores.

Leave time to visit a glass-blowing studio, art and craft galleries, auction houses, and don't miss the annual community art and craft shows.

There are events for you to enjoy throughout the year

- Earth Day
- Independence Day Celebration
- WV Poultry Festival
- Fire Department carnivals, parades & rides
- Tri-County Fair
- Music in the Park
